Re: Mr. Fletcher's Council seat

Dear Mayor Knowles and Members of the City Council:

The recent passing of Brian Fletcher is a tragic loss for his family, friends and the City of Ferguson – he will be greatly missed. He as much as anyone helped transform Ferguson into the vibrant, diverse city that it is.

On behalf of many Ferguson residents we would like to express our confidence in your very important decision to choose the right person to replace Brian as Ward 2 council representative. Our hope is that you will honor his legacy by appointing someone with the same love of our city and belief in the essential rightness of our residents and leaders, someone who, like Brian, believes the City owes no one an apology for its actions.

Replacing him with a positive person of like mind is critical to keeping Ferguson moving forward in the right direction. The residents of the 2nd Ward chose Brian because of his faith in Ferguson. As you make your selection, we hope that you honor the wishes of the Ward 2 voters and select someone with the same love of Ferguson that Brian had.

Sincerely,

Ferguson Truth
