Re: Freedom of Information Act Request

Dear Sirs,

This is a request under the Freedom of Information Act.

I request you provide me with a copy of the police reports and all supporting evidence and analysis regarding the use of canines by the Ferguson Police Department in Ferguson, Mo cited in the United States Department of Justice Civil Rights Division March 4, 2015 report.

In order to help to determine my status to assess fees, you should know that I am individual seeking information for personal use and full disclosure of all information will be provided to the public thru <http://www.fergusontruth.org/> in accordance with the transparency promised by the DOJ.

I request a waiver of all fees for this request. Disclosure of the requested information to me is in the public interest because it will contribute significantly to public understanding of the operations or activities of the government and is not primarily in my commercial interest but rather of immense concern to the citizens in the city of Ferguson, Mo. in light of the ongoing social reengineering being pressed upon Ferguson, Mo. by the Department of Justice.

Thank you for your consideration of this request.

Sincerely,

Thomas Claffy
